

How to get to Oxford

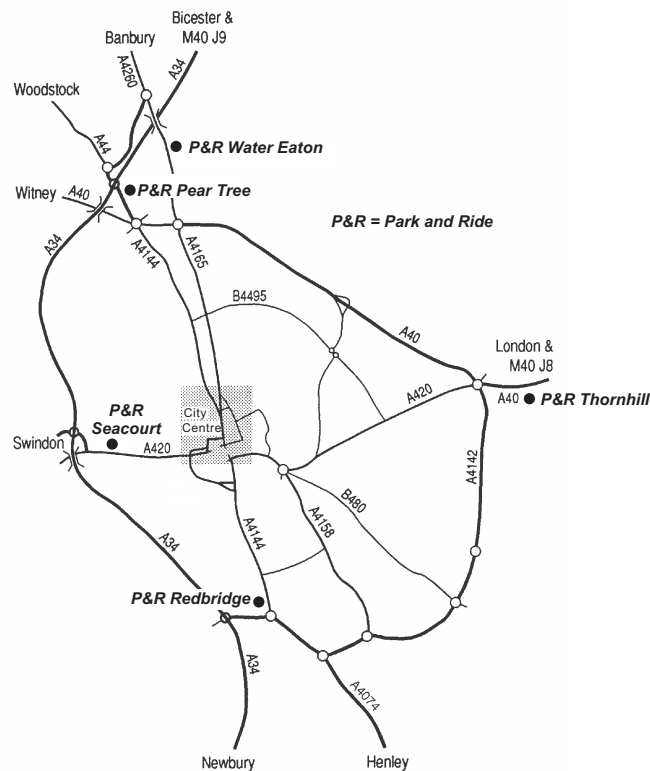

Rail: frequent train services from London Paddington and regular links to other parts of the country via Didcot, Reading and Birmingham.

Coach: frequent services from London Victoria, Gatwick and Heathrow; connections with other parts of the country.

Car: M40 links with M1, M4, M5, M25. Leave M40 at junction 8 from the East or junction 9 from the North.

Parking: prohibited within the Science Area; in some cases a parking permit can be arranged. There is a limited amount of public pay and display parking in Keble Road and Norham Gardens.

Park and Ride: there are five sites on the outskirts of the city and a quick and frequent bus service to the city centre.

INFORMATION

For further information about Graduate Research opportunities in the Department, contact the Director of Graduate Studies.

Enquiries about undergraduate courses in Engineering should be addressed to the Deputy Administrator.

How to find the Department of Engineering Science

Address

University of Oxford
Department of Engineering Science
Parks Road
